

PURCHASE ORDER TERMS & CONDITIONS

This web site (the "Site") hosted by Ortho-Clinical Diagnostics, Inc. ("Ortho") provides the terms and conditions governing the purchase order (including any attachments provided in connection therewith, the "PO") that has been transmitted (via facsimile, e-mail or other means) to you ("Supplier") by Ortho-Clinical Diagnostics Italy S.r.l. ("Buyer") or one of its Affiliates (as defined in section 26 below) identified in the PO. Notwithstanding any prior dealings between Buyer and Supplier, the PO is expressly made conditional on, and Buyer expressly limits Supplier's provision of any goods or services set forth in the PO to, the terms and conditions contained in these Purchase Order Terms & Conditions (the "PO Terms") or in a separate agreement (as defined below) if any.

Supplier shall withhold acceptance of the PO and not start any performance, ship any goods or furnish any services (or provide any deliverable arising therefrom) in connection with the PO until/unless these PO Terms will be accepted by Supplier.

The Site should not be bookmarked because these PO Terms, to the extent applicable, are specific to the PO and may hereafter be revised, from time to time, by Buyer. Revised terms and conditions of these PO Terms will be posted on the Site and will be effective for purchase orders issued thereafter following their acceptance by Supplier.

1. Entire Agreement; Amendments. (a) It is the mutual desire and intent of Buyer and Supplier to provide certainty as to their respective rights and remedies against each other by defining the extent of their mutual undertakings. Accordingly, the PO, these PO Terms and any additional signed agreement (e.g., supply agreement or services agreement) between Buyer, or its Affiliates, and Supplier or its Affiliates, (i) that are in effect at the time the PO is issued and (ii) under which the PO is issued, based on the subject matter of the PO or a statement in the PO expressly identifying such additional signed agreement, or if no such additional signed agreement exists, then the PO and these PO Terms (1) contain the entire understanding of Buyer and Supplier with respect to the subject matter of the PO and incorporate all representations, warranties, covenants, commitments and understandings on which Buyer and Supplier have relied, and neither party makes any other representations, warranties, covenants, commitments or understandings; and (2) supersede all previous representations, warranties, covenants, commitments and understandings between Buyer and Supplier, written or oral, including any terms in an estimate, an offer or other similar document, with respect to the subject matter of the PO. In case of conflict between the terms and conditions of any additional signed agreement and the terms and conditions of these PO Terms the former shall prevail.

(b) No modification, amendment or waiver of any term or condition in the PO or herein or in any additional signed agreement shall be effective, nor shall any additional or different terms or conditions, whether set forth in an invoice, confirmation, acceptance, shrink-wrap license, click wrap license, online terms of use or service or elsewhere, or pursuant to any course of dealing, usage of the trade or Buyer's acceptance of any goods or services, be effective, unless set forth in a writing signed by Buyer and Supplier.

2. Notices. All communications relating to the PO, to be effective, shall be addressed, if from Supplier to Buyer, to the Buyer's representative, and if from Buyer to Supplier, to the Supplier's representative, identified in the PO or as otherwise provided to the other party in writing. Any

communications transmitted via facsimile or electronically (e.g., via the Internet (including but not limited to EDI, cXML, e-mail)) (a) shall be considered a "writing" or "in writing," (b) shall be deemed "signed" if a signature is affixed that is valid in accordance with applicable law (including a valid electronic signature) and (c) will constitute an "original" when printed. Communications introduced as evidence on paper will be admissible to the same extent and under the same conditions as other business records originated and maintained in documentary form and admissibility shall not be contested on the basis that the communication was not originated or maintained in documentary form.

3. **Goods and Services set forth in the PO.** Supplier shall (a) provide to Buyer the goods and services set forth in the PO; (b) keep Buyer advised of the status of the PO; (c) permit Buyer or its representatives to review and observe, from time to time upon reasonable notice, Supplier's progress under or performance in connection with the PO; and (d) provide Buyer with such reports as are appropriate to the nature of the goods and services set forth in the PO and as may be reasonably requested by Buyer from time to time.
4. **Inspection.** All goods and deliverables are subject to final review, inspection and acceptance by Buyer notwithstanding any payment or initial inspection. Final inspection will be made by Buyer within a reasonable time after receipt of goods or deliverables.
5. **Non-Conforming Goods or Services; Late Delivery; Replacement Personnel; Change in Process or Materials; Change in Control** (a) Buyer reserves the right to refuse any goods or services and to cancel all or any part of the PO if Supplier does not, or goods or services provided by Supplier to Buyer do not, conform to any applicable industry standards or practices, any applicable specifications, drawings, samples, descriptions or any other similar criteria in the PO or otherwise provided to Supplier by Buyer (the "Specifications") or any terms and conditions set forth in the PO and herein. Acceptance of any part of the shipment of goods or any part of the services shall not bind Buyer to accept any non-conforming goods or non-conforming services simultaneously provided by Supplier, nor deprive Buyer of the right to reject any previous or future non-conforming goods or services. Buyer may, if it rejects any non-conforming goods, return such goods to Supplier at Supplier's expense for transportation both ways, and Supplier shall not deliver to Buyer any replacement or substitution goods for such rejected goods unless so authorized by Buyer.
 - (b) The delivery of goods and services shall strictly comply with the delivery date or delivery schedule, if any, provided to Supplier by Buyer. If at any time it appears Supplier will not meet such delivery date or schedule, Supplier shall promptly notify Buyer in writing of reasons for, and the estimated duration of, the delay. If requested by Buyer, Supplier shall ship such delayed goods by means to avoid or minimize delay to the maximum extent possible, including rerouting any shipment if appropriate and the use of a dedicated motor carrier or air freight, and any added costs shall be borne by Supplier.
 - (c) With respect to any personnel assigned by Supplier to provide goods or services to Buyer, Buyer reserves the right to request for any lawful reason whatsoever the removal or reassignment of any such personnel, which right shall not relieve Supplier of any responsibility it has for the PO. Supplier shall as soon as possible thereafter provide replacement personnel satisfactory to Buyer. Supplier shall not, however, leave any position(s) without staffing acceptable to Buyer during any replacement assessment period(s).

(d) Supplier shall notify Buyer immediately of any material change in the manufacturing process or materials required to produce any goods or deliverables under any PO. Any such changes must not be implemented until such time as Supplier received written agreement from Buyer.

(e) Supplier shall provide Buyer with not less than 21 days prior written notice in the event that Supplier or any other person proposes entering into any transaction with any third party in connection with the transfer or sale of all or substantially all of Supplier's business pertaining to the Agreement or the production of any goods or services under a PO, or in the event of its merger, consolidation, change in control or other similar transaction with any other person or entity.

(f) Notwithstanding the foregoing, Buyer may cancel the PO and seek any other remedies available in accordance with applicable law, including cover and incidental and consequential damages from Supplier if Supplier does not, or goods or services provided by Supplier to Buyer do not, conform to the PO and these PO Terms, including delivery of goods or services that do not strictly comply with the Specifications or the delivery date or schedule, if any, provided to Supplier by Buyer.

6. Cancellation. Notwithstanding any of Buyer's other rights in these PO Terms, Buyer may cancel the PO at any time and for any reason upon written notice to Supplier of not less than 15 days. In the event of such cancellation, Supplier shall comply with any directions given by Buyer in such notice with respect to the goods and services in the PO and cease all other shipment and delivery of goods and services with respect to the PO. Within 45 days from the effective date of such cancellation, Supplier shall provide to Buyer all material, drawings, work-in-progress and co-developed intellectual property (in the state of completion or non-completion in which they exist on the date of cancellation) and submit an invoice to Buyer for all goods and services manufactured and/or provided by Supplier prior to receipt by Supplier of the notice of cancellation and accepted by Buyer in accordance with the PO, but only to the extent relating to such goods or services for which Supplier has not already submitted an invoice to Buyer. Buyer agrees to pay all undisputed amounts in accordance with the PO and these PO Terms. In no event, shall Buyer be responsible for any amounts in the aggregate greater than (a) the total that would have been due under the PO or (b) the value of the work done by Supplier in accordance with the PO prior to receipt by Supplier of the notice of cancellation, whichever is less.

7. Invoice. Unless Buyer otherwise informs Supplier, Supplier shall issue a separate invoice for each shipment of goods delivered by Supplier and for each set of completed services. Supplier shall not issue any invoices before the goods or services are delivered to Buyer. Payment due dates, including any discount periods, will be computed from the date the invoice is received by Buyer to the date Buyer's check is mailed (or payment is otherwise transmitted by Buyer). Supplier invoices shall be submitted through Buyer's Ariba Network portal. Buyer may separately authorize Supplier to submit PDF invoices emailed to APinvoicesOCD_EMEA@orthoclinicaldiagnostics.com. All invoices submitted by Supplier shall include (a) the PO number; (b) a description of goods and/or services provided; (c) details and supporting documentation related to any travel and out-of-pocket expenditures approved by Buyer; and (d) a detailed description of the number of hours worked and fee per hour, if services are provided based on time and material pricing. Supplier shall send Buyer invoices promptly and in any event within 12 months after delivering the goods or services (including software or other

deliverables) to Buyer. Any invoices sent to Buyer more than 12 months after Supplier delivered the goods or services may be rejected by Buyer, and Buyer shall not be obligated to pay any amounts not properly invoiced within 12 months after the goods or services are delivered, including any pass-through expenses or taxes that otherwise would have been reimbursable in accordance with the PO.

8. Payments. Unless Buyer otherwise informs Supplier, payment terms shall be net 60 days after the receipt by Buyer of an undisputed invoice. Buyer may withhold payment of any amounts which are disputed in good faith by Buyer. Except for amounts expressly set forth in the PO, Buyer shall not be responsible for any (a) other charges, including charges for delivery, parts or services and (b) expenses of Supplier or any mark-ups on any expenses of Supplier.

9. Warranty. (a) Notwithstanding any other representation, warranty or agreement to the contrary, Supplier unconditionally represents and warrants the following: (i) the goods and services supplied pursuant to the PO shall be of merchantable quality, conform to applicable industry standards and practices and the Specifications, be suitable for Buyer's intended uses and purposes in the ordinary course of its business and be free from defects in design, material and workmanship; (ii) all services provided by Supplier shall be provided by qualified personnel reasonably skilled and trained in the performance of the services and in a workmanlike and professional manner; (iii) any documentation provided to Buyer by Supplier shall meet reasonable standards of clarity and detail; (iv) Supplier, the goods and services provided to Buyer and the use thereof by Buyer shall not infringe on any party's intellectual property rights, including any party's confidential information, trade secrets, copyrights or patents; (v) Supplier is currently under no obligation to any party, nor will Supplier enter into any obligation with any party, that could interfere with Supplier delivering the goods or services in the PO; and (vi) Supplier shall comply with, and the goods and services provided by Supplier shall be in compliance with, all federal, state and municipal statutes, laws, ordinances and regulations applicable to Supplier and/or to the goods and services, including those relating to the environment, occupational safety and health, labor standards, assembly and supply of the goods, United States Food and Drug Administration (including compliance with good manufacturing practices), International Standards Organization Rules 9,000 et seq. and any permits, licenses and certifications Supplier is required to have.

(b) If the goods and services provided by Supplier to Buyer or the use thereof by Buyer, infringes on any party's intellectual property rights, including any party's confidential information, trade secrets, copyrights or patents, and the sale or use of such goods or services is enjoined, Supplier shall, at its expense and option, either procure for Buyer the right to continue to use such goods or services, replace such goods or services with equivalent non-infringing goods or services or modify such goods or services so that they become equivalent non-infringing goods or services. The foregoing, however, shall not be construed to limit or exclude any other claims or remedies that Buyer may assert.

(c) All representations and warranties shall run to Buyer, its customers and the users of the goods or services or products into which such goods or services may be incorporated. All third party warranties and representations obtained by or applicable to Supplier in connection with any good and services in the PO are hereby deemed provided, in addition, for the benefit of Buyer, its Affiliates and their users and customers. Nothing in this clause shall be construed as limiting in any way Supplier's other warranties to Buyer.

- 10. Indemnification.** Supplier agrees to indemnify and hold harmless Buyer, its Affiliates (and its and their respective directors, personnel and agents) against any and all losses, claims, liabilities, damages and expenses, including without limitation reasonable attorney's fees, (collectively, "Claims") in connection with or arising out of the following: (a) any negligent or willful misconduct of Supplier, its personnel, agents, consultants or subcontractors; or (ii) Supplier's (including its personnel, agents, consultants or subcontractors) breach of any provision of the PO or these terms and conditions.
- 11. Limitation of Liability.** UNDER NO CIRCUMSTANCES WILL BUYER OR ITS AFFILIATES BE LIABLE FOR CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY, MULTIPLIED OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORESEEABLE, OR PREJUDGMENT INTEREST OR ATTORNEYS' FEES OR COSTS BASED ON CLAIMS OF SUPPLIER OR ANY OTHER PARTY ARISING OUT OF BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT, FAILURE OF ANY REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE, OR OTHERWISE. NOTWITHSTANDING THE FORM (e.g., CONTRACT, TORT OR OTHERWISE) IN WHICH ANY LEGAL OR EQUITABLE ACTION MAY BE BROUGHT, IN NO EVENT WILL BUYER OR ITS AFFILIATES BE LIABLE FOR DAMAGES OR LOSSES THAT EXCEED, IN THE AGGREGATE, THE GREATER OF (a) THE AMOUNT DUE FROM BUYER AS SET FORTH IN THE PO BUT NOT ALREADY PAID TO SUPPLIER FOR THE GOODS OR SERVICES PROVIDED BY SUPPLIER IN ACCORDANCE WITH THE PO AND THESE TERMS AND CONDITIONS OR (b) EUR 1000. THIS SECTION WILL NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW, INCLUDING THE PROVISION OF ARTICLE 1229 OF THE ITALIAN CIVIL CODE, SPECIFICALLY REQUIRES LIABILITY DESPITE THE FOREGOING DISCLAIMER, EXCLUSION AND LIMITATION.
- 12. Insurance.** For the period beginning when Supplier accepts the PO and/or starts performance, ships any goods or furnishes any services (or provides any deliverable arising therefrom) in connection with the PO and ending at least 4 years after Supplier completes the PO in full or the PO was cancelled by Buyer, Supplier shall, at its own expense, maintain with a reputable insurer (and provide written certificate(s) of insurance to Buyer if and when requested) reasonable and customary insurance coverage, including, but not limited to, (a) Worker's Compensation statutory coverage as required by the laws of the applicable jurisdiction, (b) Commercial General Liability insurance including coverage for product liability in the minimum amount of EUR5,000,000 per occurrence in respect of claims for any losses, costs and expenses arising out of or relating to Supplier furnishing the goods, deliverables and/or services under the PO, (c) Auto Liability insurance in the minimum amount of EUR 2,000,000 per occurrence, (d) Excess or Umbrella Liability in the minimum amount of EUR5,000,000 each occurrence / aggregate in excess of employers liability, automobile liability insurance and commercial general liability, (e) (i) if a provider of IT, software, or handler of OCD data/information: Technology E&O of at least EUR5,000,000; (ii) if a service provider: Professional Liability (E&O) of at least EUR5,000,000; (iii) if a party that handles or operates with substances that could give rise a pollution event: Environmental / Pollution Liability of at least EUR 5,000,000; or (iv) if a party that handles OCD assets, including, but not limited to, money, checks, wire transfers, hard assets, etc.: Crime / Dishonesty / Fiduciary of at least EUR 5,000,000. The commercial general liability insurance

shall include worldwide coverage and include Buyer and its affiliates, and their directors, officers and employees, as Additional Named Insureds. The certificate(s) of insurance will include the agreement for the insurer, or the Supplier, to give Buyer written notice at least 30 days prior to the effective date of any cancellation, lapse or material change in the policy, show the amounts of any deductibles, and will contain a waiver of subrogation in favor of Buyer and its affiliates, and their directors, officers and employees.

13. Rights to Inventions; Copyrights. (a) Buyer will be the exclusive owner of all deliverables created by Supplier in connection with or during the performance of the PO, any works based on or derived from such deliverables (“Derivatives”), and any ideas, concepts, inventions or techniques that Supplier may conceive or first reduce to practice in connection with or during the performance of the PO (“Deliverable Concepts”) (the deliverables, Derivatives, and Deliverable Concepts are collectively referred to as “Buyer Materials”) and all intellectual property rights therein, including patents, copyrights, trade secrets, trademarks, and similar rights of any type under the laws of any governmental authority (collectively, “Intellectual Property Rights”).

(b) All copyrightable Buyer Materials created by Supplier in connection with or during the performance of the PO shall be considered a “work made for hire” for Buyer, and all worldwide right, title and interest therein shall be the property of Buyer as the party specially commissioning such work, in each case except to the extent not permitted under applicable law or to the extent the designation of Buyer Materials as a “work made for hire” would establish an employment relationship under applicable law between Buyer and Supplier. Supplier and Buyer expressly acknowledge that a portion of the amounts paid by Buyer to Supplier for the supply of goods and/or the performance of services represent consideration for the assignment to Buyer of all Intellectual Property Rights in the Buyer Materials that are “work made for hire”.

(c) To the extent any Buyer Materials are not "work made for hire," or to the extent that the Buyer does not otherwise acquire ownership of any copyrights, and with respect to all other Intellectual Property Rights, Supplier hereby irrevocably assigns to Buyer for no additional consideration, and shall cause its personnel to irrevocably assign to Buyer, all right, title and interest in and to the Buyer Materials and all Intellectual Property Rights therein and thereto, including the right to sue, recover damages and obtain other relief from other persons for any past, present and future infringement, dilution, misappropriation, or other violation of or conflict with any of those Intellectual Property Rights. To the extent such assignment of rights and ownership is invalid or any of the foregoing rights, including so-called “moral rights” or rights of “droit moral,” may be inalienable, Supplier agrees to waive and agrees not to exercise such rights, and if such waiver and agreement are deemed invalid, to grant to Buyer and its designees the exclusive, transferable, perpetual, irrevocable, worldwide and royalty free right to make, use, market, modify, distribute, transmit, copy, sell, practice, and offer for sale and import the Buyer Materials and any process, technology, software, article, equipment, system, unit, product or component part covered by the Deliverable Concepts or a claim of any patent in any part of the Deliverable Concepts. At Buyer’s request, Supplier will execute any instrument, or obtain the execution of any instrument, including from any employee or contractor, that may be appropriate to assign the rights to Buyer in accordance with this section or perfect such rights in Buyer’s name. If Supplier fails to execute any assignment in accordance with this section within 15 calendar days after a request by Buyer, Supplier hereby appoints Buyer as Supplier’s attorney in fact for the sole purpose of executing any such assignment on behalf of Supplier to Buyer and Supplier agrees to be bound thereby.

(d) Supplier shall include on the face of all copyrightable material prepared for Buyer a copyright notice identifying Buyer and the year of publication in legible form. Supplier shall provide Buyer with all relevant or necessary design drawings, source code and other documents detailing the Intellectual Property Rights with respect to the Buyer Materials. Except in connection with the PO to provide the goods or services to Buyer, Supplier shall not use any Intellectual Property Rights with respect to the Buyer Materials in any manner or for any reason. Without limiting the foregoing, Supplier agrees that neither Supplier nor any of its Affiliates shall sell or distribute, or authorize the sale or distribution by any third party of, any goods or services using the Intellectual Property Rights with respect to the Buyer Materials to any party other than Buyer.

- 14. Software.** If the goods set forth in the PO include any software (including pursuant to a software-as-a-service offering), related documentation and/or updates thereto (collectively, "Software") the following terms and conditions apply:

(a) Supplier shall retain all Intellectual Property Rights in and to the Software. Supplier hereby grants to Buyer and its Affiliates a perpetual (unless otherwise limited in the PO to a specific duration), worldwide, non-exclusive license to access and use the Software for the business purposes of Buyer and its Affiliates. If the PO limits the Software to use by a certain number of users, then Buyer may replace a user with another user from time to time, provided that the then-current number of users using the Software does not exceed such number. If Supplier determines that Buyer and its Affiliates have exceeded rights to the Software in the PO through increased usage that is otherwise in accordance with these terms and conditions, Supplier shall promptly notify Buyer in writing of such excess usage and Buyer shall thereafter promptly eliminate such excess usage. If Buyer does not eliminate such excess usage, Supplier's exclusive remedy shall be to invoice Buyer proportionally for such excess usage using the pricing set forth in the PO.

(b) Buyer and its Affiliates may (i) make a reasonable number of backup or archive copies of any Software provided by Supplier and (ii) permit one or more third parties to exercise the rights granted to Buyer and its Affiliates hereunder, provided that any such third party may only use the Software to provide goods to or perform services for Buyer and its Affiliates. Except as expressly permitted herein, Buyer and its Affiliates shall (i) not reverse engineer, decompile or otherwise discover the source code of the Software; (ii) not remove any copyright, trademark or other proprietary rights notices in the Software; and (iii) reproduce such notices on any copies of the Software. Supplier shall electronically deliver the Software such that no tangible media passes to Buyer.

- 15. Force Majeure.** Supplier and Buyer, as the case may be, shall be excused for delays in performance or failure of performance to the extent arising from causes beyond such party's reasonable control, including without limitation strikes, wars, fires, acts of terror or acts of God, such as floods and earthquakes. In the event of any such event or condition, the party whose performance is excused hereunder shall notify the other party promptly thereof and shall make diligent efforts to perform at its earliest opportunity. If Supplier's performance is excused hereunder, Buyer may cancel the PO, subject to the provisions of section 6 above, and Supplier agrees to provide to Buyer the assistance and information necessary for Buyer to make, have made, or otherwise procure replacement goods and services.

- 16. Shipping Terms.** Unless Buyer otherwise informs Supplier, delivery of goods is to be F.O.B. Buyer's plant and all amounts in the PO include all delivery charges thereto. If Buyer and Supplier mutually agree that goods are to be shipped F.O.B. shipping point, and Buyer has not designated routing, Supplier shall ship goods via the most economical method that will meet the delivery date provided to Supplier by Buyer. Supplier shall provide a packing list to Buyer for all shipments referencing the appropriate order number. Bills of lading, if any, shall also reference the appropriate order number.
- 17. Transportation Liability.** Supplier agrees that in any case where freight regulations covering goods transported by common carrier establish a maximum limit on the carrier's liability for loss or damage suffered in transit, Supplier will be liable to Buyer for any loss or damage in excess of such maximum limit.
- 18. Confidentiality; No Publicity.** (a) Supplier shall not, without the prior written consent of Buyer, originate any publicity (including any news release or public announcement) nor use any logos, trademarks, service marks or names of Buyer or any of its Affiliates.
- (b) Supplier shall not, without the prior written consent of Buyer, disclose to any third party Confidential Information (as defined below) or use any such Confidential Information for any purpose other than in connection with providing to Buyer the goods and/or services set forth in the PO. "Confidential Information" shall mean any information that is not already in the public domain or independently developed or obtained by Supplier relating to the following: the existence of the relationship with Buyer; Buyer's purchasing systems or practices (including, without limitation, descriptions of purchased items, quantities purchased and prices paid); the nature of the services performed or deliverables or goods delivered under the PO; or any data, designs or any other information relating to Buyer or its Affiliates or their businesses. Notwithstanding the foregoing, Supplier may disclose Confidential Information (i) to Supplier's employees having a need to know such information in connection with Supplier's performance of the PO or (ii) to comply with applicable laws, court orders or government regulations, provided, in such case Supplier promptly provides notice thereof to Buyer prior to any disclosure to allow Buyer to comment thereon and to seek a protective order or similar relief. Supplier agrees that it will take appropriate action by instruction, agreement or otherwise with its employees who are permitted access to Confidential Information to notify them of the obligations hereunder. No right, title, interest or license to Supplier is either granted or implied under any trademark, patent, copyright or any other intellectual property right by the disclosure of the Confidential Information hereunder. Upon Buyer's request at any time, all documents and other material containing Confidential Information, and any other data, designs, or other information furnished to Supplier (and copies thereof), shall be returned to Buyer or destroyed, as directed by Buyer.
- 19. Buyer's Property.** All tools, equipment and materials of every description furnished to Supplier by, or paid for by, Buyer, and any replacement thereof, and any materials affixed or attached thereto, shall be and remain the personal property of Buyer, and shall be safely stored separate and apart from Supplier's property. Supplier shall not substitute any property for Buyer's property and shall not use such property except in filling Buyer's purchase orders. Such property while in Supplier's custody or control shall be held at Supplier's risk, shall be kept insured by Supplier at Supplier's expense in an amount equal to the replacement cost with loss payable to Buyer and shall be subject to removal at Buyer's written request, in which event Supplier shall

prepare such property for shipment and shall redeliver to Buyer in the same condition as originally received by Supplier, reasonable wear and tear excepted.

- 20. Safety Data Sheets.** An appropriate safety data sheet (“SDS”) and labeling, as and if required by law, will precede or accompany each shipment by Supplier. Further, Supplier shall send to Buyer updated SDS’s and labeling as required by law. All containers of hazardous goods (and all documents relating thereto) shall bear prominent and adequate warnings. The Supplier shall indemnify the Buyer against all claims, proceedings, actions, damages, costs, expenses and any other liability or loss incurred by the Buyer as a result of any breach of this condition.
- 21. Environmental, Safety and Industrial Hygiene Matters.** Supplier agrees to use commercially reasonable efforts to implement a policy of environmental responsibility concerning its products and processes, including where applicable, pollution prevention and waste reduction programs. With respect to all environmental, safety and industrial hygiene matters related to Supplier’s activities in providing goods and/or services to Buyer, Supplier shall: (a) comply with all applicable laws and regulations issued by federal, state and local authorities; (b) inform Buyer promptly of any significant adverse event (e.g., fires, explosions, accidental discharges) that have the potential of affecting the quality of the goods and/or services to be delivered; (c) inform Buyer promptly of any allegations or findings of violations of applicable laws or regulations that have the potential of affecting the quality of the goods and/or services to be delivered; (d) allow Buyer’s representatives to inspect Supplier’s facilities, such inspections to be at reasonable times and upon reasonable notice; and (e) implement promptly any corrective action which may be reasonably requested by Buyer, including (without limitation) adhering to reasonable and significant elements of the environmental, safety and industrial hygiene program adhered to by Buyer in its own operations. Supplier shall provide Buyer accurate information concerning ozone depleting chemicals used in its products or processes when required by any applicable regulations or laws.
- 22. Compliance.** (a) Any provisions, representations or agreements required by any law or regulation to be included in the contract resulting from acceptance of the PO are hereby incorporated by reference into these terms and conditions, including, but not limited to, those prohibiting discrimination against any employee or applicant for employment because of race, color, religion, sex or national origin, or physical or mental handicap.

(b) Supplier undertakes to comply with all laws and regulations applicable to Supplier and/or to the goods and services object of a PO, by way of example but not limited to, laws concerning prohibition of adulteration and misbranding, labor laws, social security laws, health and safety laws on the workplace, etc..

(c) Supplier agrees to submit to periodic compliance inspections by Buyer and/or its Affiliates and representatives and to maintain the records necessary to demonstrate compliance and provide annual certifications of compliance to the foregoing.

(d) If (i) any good shipped pursuant to the PO is produced using any human blood, blood component, tissue from a living or cadaveric donor, or from material derived therefrom (collectively, “Tissue”); or (ii) any good contains Tissue; or (iii) delivery of any deliverables that pursuant to the PO include results generated using Tissue, Supplier warrants and agrees that any such Tissue was collected or will be collected pursuant to a legally effective informed consent

under applicable law in effect at the time of collection and subject to approval by an institutional review board, and Buyer or its Affiliates may review the consent form used in collection of any such Tissue, as well as any subsequent revisions thereof, but Supplier is solely responsible for obtaining the appropriate patient consent and authorization.

(e) While on the premises of Buyer or any of its Affiliates (the "Premises"), Supplier shall comply with all rules and regulations while on and applicable to the Premises. Supplier shall be responsible for its personnel and agents while they are on the Premises whether or not any of their actions fall outside the scope and course of employment or engagement by Supplier. Supplier shall ensure that its personnel and agents proceed directly to the site where Services are to be provided and do not enter any other part of the Premises, except as directed by Buyer. Supplier agrees that Buyer or its Affiliates, as the case may be, may search Supplier's personnel and agents, their vehicles and packages while they are on, leaving or entering the Premises. Supplier and Buyer, to the extent applicable to each of them, undertake to comply with applicable health and safety laws including, by way of example but not limited to, the provisions set out by Legislative Decree no. 81/2008 and any related amendment (hereinafter the "Consolidated Document"). In this respect, and in order to allow Buyer to draft the document which evaluates the risks pursuant to Article 26, 3rd paragraph, of the Consolidated Document, Supplier shall provide Buyer with a document containing its evaluation of the risks and associated costs as well as the evaluation provided by its sub-suppliers, if any, which indicates the measures necessary to eliminate any interference in their respective activities.

(f) Supplier shall comply with any laws applicable to Supplier regarding Conflict Minerals. Without limiting the foregoing, Supplier shall (i) source materials only from socially responsible suppliers, including legitimate, conflict-free mines in the DRC region; (ii) conduct the necessary due diligence and provide Buyer with proper verification of the country of origin and source of the materials used in Supplier's products; (iii) support initiatives to verify smelters and refiners that are conflict-free, and utilize any such conflict-free smelter/refiner programs that are available; and (iv) provide information as requested by Buyer to verify the foregoing. If Supplier is not in compliance with the foregoing, Supplier shall develop, implement and document plans to remedy such non-compliance; provided however, Buyer reserves the right to cancel the PO and pursue all rights and remedies available in equity and at law.

(g) While providing any goods or services, Supplier shall comply with the following legislation from time to time: (a) the General Data Protection Regulation (2016/679) ("**GDPR**"); and (b) any law, statute, declaration, decree, directive, legislative enactment, order, ordinance, regulation, rule or other binding instrument of any European member state where the parties have a presence which implements the Data Protection Directive (95/46/EC), the GDPR and the Directive on Privacy and Electronic Communications (2002/58/EC) (collectively, the "**EU Data Protection Legislation**"). If Buyer provides Personal Data (as defined in EU Data Protection Legislation) to Supplier, Personal Data shall be processed by Supplier only in connection with the performance of its obligations under the PO or the Agreement and, unless otherwise permitted by Buyer, Supplier must not use or disclose any Personal Data for any purpose other than such performance. Supplier shall implement all appropriate security, technical and organizational measures to protect Personal Data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access and against other unlawful forms of processing, and shall not store and keep Personal Data for a longer term than necessary to the provision of the goods or services. Upon the termination of a PO or the Agreement, Supplier shall forthwith return to Buyer

all Personal Data still in its possession. Supplier will assist Buyer with any requests it receives regarding rights of access, objection and correction of Personal Data as required under EU Data Protection Legislation. In no event shall Supplier transfer Personal Data to third party processors established in countries that under EU Data Protection Legislation are not considered as providing for an adequate level of protection, unless it obtains Buyer's prior express consent. Each party agrees to execute appropriate terms and conditions under EU Data Protection Legislation, in as far as required with respect to international data transfers and prior to performing any such transfer.

23. Wood Pallets. This clause applies to all products and/or materials shipped to Buyer or its Affiliates or authorized locations on wood pallets. Wood pallets must be constructed from lumber sourced from countries that prohibit the treatment of wood with any form of halophenol based chemicals (including but not limited to 2, 4, 6 trichlorophenol, 2, 4, 6 tribromophenol, any of the tetrachlorophenols, any of the tetrabromophenols and pentachlorophenol). Wood pallets used must have been heat treated only, in accordance with the Heat Treatment standards set forth in International Standards for Phytosanitary Measures Publication No. 15, 2009 Revision (ISPM 15). Additionally, the sourced lumber or finished pallets shall not be shipped or stored with pallets or materials that may contain the chemicals mentioned above. While ISPM 15 currently provides for the use of Methyl Bromide (MB), the use of pallets fumigated with Methyl Bromide is also prohibited. All wood pallets must be labeled with the HT stamp in accordance with ISPM 15 Annex II. This requirement is effective immediately. Failure to meet the above requirements of this paragraph may lead to rejection of shipments at Supplier's expense.

24. Governing Law; Dispute Resolution. (a) *Governing Law.* The laws of the Republic of Italy, with express exclusion of the United Nations Convention on contracts for the international sale of goods of April 11, 1980, without regard to principles of conflict of laws or Buyer's place of residence, will govern these terms and conditions and the PO.

(b) *Arbitration.* Subject to subsection (c) below, any dispute that might arise between Supplier and Buyer relating to or arising from use of the Site and/or from the PO or these PO Terms and/or any contractual relationship related to, and or regulated by, these PO Terms or any additional signed agreement, including the negotiations between Buyer and Supplier, shall be settled by binding arbitration, pursuant to Article 806 and subsequent of the Italian Code of Civil Procedure, in accordance with the then prevailing Rules of the Milan Chamber of Arbitration (Camera Arbitrale di Milano) ("MCA"). The arbitration shall be conducted before a single arbitrator who shall be appointed by both parties within 20 days from the request by the interested party. Should the parties not achieve any agreement on such appointment, the arbitrator shall be appointed according to the rules of the MCA. The arbitration shall be held, and Supplier and Buyer irrevocably consent to arbitrate, in Milan (Italy) unless they mutually agree upon an alternative location. Under no circumstances shall the arbitrator award damages in excess of, or inconsistent with, the limitations contained in the "Limitation of Liability" section of these PO Terms. The award shall be rendered within no more than 8 months from the acceptance of the appointment by the arbitrator. Supplier and Buyer each have the right, before or during the mediation or arbitration, to seek and obtain from the appropriate court provisional remedies such as attachment/seizure, provisory injunction (according to article 700 of the Italian Code of Civil Procedure), etc., to avoid irreparable harm, maintain the status quo or preserve the subject matter of the arbitration. The arbitration shall be conducted in English. In rendering the award, the

arbitrator must apply the substantive law of the Republic of Italy. The award may be challenged for violation of Italian law.

(c) *Mediation.* Prior to initiation of arbitration, Supplier and Buyer must attempt to mediate the dispute, within a period of 45 days after the request for mediation, according to the rules for mediation provided for by the MCA.

(d) *No Publicity.* The arbitration and mediation proceedings shall be confidential and neither party shall publicize the nature of any dispute or the outcome of any mediation or arbitration proceedings except to the extent required by law, provided in such case the party required to make any disclosure informs the other party of such requirement to allow the other party to seek a protective order. The mediator or arbitrator, as the case may be, shall issue appropriate protective orders to safeguard each party's confidential information.

25. **Audit.** For the period beginning when Supplier accepts the PO and/or starts performance, ships any goods or furnishes any services (or provides any deliverable arising therefrom) in connection with the PO and ending at least 4 years after Supplier completes the PO in full or the PO was cancelled by Buyer, Supplier agrees to make, keep and maintain, in accordance with generally accepted accounting principles and practices, consistently applied from year to year, complete books, invoices, records of payments, correspondence, instructions, specifications, plans, drawings, receipts, manuals, contracts, purchase orders, tax returns, memoranda and other records relating to the PO, including the goods and/or services provided thereunder and if applicable, cost of materials used, expenses incurred, hours worked. Buyer shall have the right to audit and/or examine all such items, either directly or through its authorized representative or agents, during regular business hours and upon reasonable prior notice. If any audit or examination reveals that Supplier collected more from Buyer than it was entitled to collect under the PO, Supplier shall promptly reimburse Buyer for the amount of any overcharges. Supplier shall also pay Buyer interest at the rate of one percent (1%) per month on such amount, but in no event to exceed the highest lawful rate of interest, calculated from the date the amount was paid to Supplier until the date of actual reimbursement to Buyer. In the event that any such audit or examination reveals that Supplier collected more than five percent (5%) than what it was entitled to collect under the PO, Supplier shall also reimburse Buyer for the cost of such audit in addition to the other amount owed pursuant to this section.
26. **Assignment.** Except as otherwise expressly provided under these PO Terms, neither the PO, nor the PO Terms, nor any right or obligation deriving hereunder may be assigned or otherwise transferred (whether voluntarily, by operation of law or otherwise), without the prior express written consent of the other Party, provided, however that Buyer may, without the consent of the Supplier, assign the PO and its rights and obligations under these PO Terms, in whole or in part, (i) to any of its Affiliates, or (ii) to any third party in connection with the transfer or sale of all or substantially all of its business pertaining to the PO, or in the event of its merger, consolidation, change in control or other similar transaction. In addition, if the Buyer or any of its Affiliates divests itself of, or otherwise sells or transfers, any product or service to which this PO Terms pertain, then the Buyer may assign to the person or entity acquiring that product or service any of the Buyer's rights under the PO and these PO Terms relating to that product or service. Any permitted assignee shall assume all obligations of its assignor under the PO and these PO Terms (or to the extent relating to the applicable product or service, if applicable). Any purported assignment or transfer in violation of this Clause 26 shall be void.

“Affiliates” shall mean: (i) when applicable to Supplier, any entity that directly or indirectly controls, is controlled by or is under common control with such entity (control with respect to Supplier shall mean ownership or interest, direct or indirect, in at least fifty per cent. (50%) of Supplier, either through the ownership of Supplier’s stock or issued share capital, voting power, membership interest or otherwise, or the power to direct the management and policies of Supplier); and (ii) when applicable to Buyer, Ortho-Clinical Diagnostics Bermuda Co. Ltd., a Bermuda exempted limited liability company, and any of its majority-owned subsidiaries.

27. Relationship. (a) The relationship of Buyer and Supplier is that of independent contractors, and nothing contained herein shall be construed to (i) give either party any right or authority to create or assume any obligation of any kind on behalf of the other or (ii) constitute Buyer and Supplier as partners, joint ventures, co-owners or otherwise as participants in a joint or common undertaking.

(b) Buyer shall not be liable for any of its Affiliates under any circumstances.

(c) The relationship between Buyer and Supplier is not one of exclusivity.

28. Processing of personal data. The processing of Personal Data shall be performed by the data controller and/or by the persons in the organization of Buyer in charge of the Personal Data processing.

(c) Refusal to provide data. The provision of Personal Data to Buyer is not compulsory. However, the refusal to provide Personal Data, or the provision of incorrect and/or incomplete information, will have as consequence the inability of Buyer to enter into and/or to perform the contractual relationship between Supplier and Buyer.

(d) Communication of Personal Data. For the purposes of paragraph (a) herein above, Buyer is entitled to communicate the Personal Data to entities, affiliated companies and/or other qualified persons which provide services or functions for the performance of the contractual relationship between Supplier and Buyer and/or for the compliance of other obligations arising under such

(f) Transfer of Personal Data abroad. Personal Data may be transferred to EU countries and to countries outside the European Union for the purposes of paragraph (a).

(g) Rights of the Personal Data subject. Pursuant to article 7 of T.U., Supplier is entitled to exercise certain rights, including the right to obtain confirmation of the existence of its Personal Data and of their provision in an intelligible form. Supplier is entitled to know the source of the Personal Data, the purpose and method of their processing, the logic applied to the processing, the identity of the data controller and of the subjects to whom the Personal Data can be communicated. Supplier has the right to obtain the updating, the rectification and the integration of the Personal Data, the cancellation, the transformation into anonymous form or the blocking of the Personal Data processed in violation of the law. Supplier has the right to oppose, for legitimate reasons, the processing of the Personal Data.

(h) Data controller. The data controller is Ortho-Clinical Diagnostics Italy Srl, with registered office in Piazza Cavour 2 – 20121 Milan. (i) By executing these PO Terms, Supplier provides its consent, where required by applicable laws on the subject matter, to the processing of its personal data with the modalities and to the purpose above mentioned.

29. Miscellaneous. Headings used herein are for convenience only and shall not be used for interpretive purpose. A party's failure to act with respect to another party's breach of any provision contained herein does not constitute a waiver. If any provision herein is held to be invalid or unenforceable, such provision shall be narrowly construed, if possible, or otherwise deemed ineffective and the remaining provisions shall not be affected. The terms and conditions in the PO and herein will survive the fulfillment of the PO.
